ATLANTIS

The lost city...
ATLANTIS

The mystery of Atlantis is perhaps the most talked myth. But no one can’t prove that there has been and where it was. However, some scientists argue that the destruction of the Minoan civilization and the destruction of ancient Thira are identified with the lost Atlantis.
ATLANTIS
ATLANTIS

• **Atlantis** is a legendary island first mentioned in Plato's dialogues *Timaeus* and *Critias*, written about 360 BC.
• According to Plato, Atlantis was a naval power lying "in front of the Pillars of Hercules" that conquered many parts of Western Europe and Africa 9,000 years before the time of Solon, or approximately 9,560 BC. After a failed attempt to invade Athens, Atlantis sank into the ocean "in a single day and night of misfortune“, perhaps
• Regarding the 9000 BC, Aiguptians had another calendar and add a 0 (zero), so that have been in 900 BC.
• Platon said that people of Atlantis had supernatural forces.

SUGGESTED PLACES

1 North-West of Egypt: From Greece to Spain
   Thera (Santorini)
   Near Cyprus
   Helike
   Sardinia
   Sicily
   Malta

2 North-East of Egypt: From Middle East to the Black Sea
   Middle East
   Turkey
   Troy
   Black Sea

3 Around Gibraltar: Near to the Pillars of Hercules
   Andalusia
   Spartel Bank
   Morocco

4 Atlantic Ocean: West
   Azores Islands
   Canary Islands, Madeira and Cape Verde
   Northern Spain

5 Atlantic Ocean: North
   Irish Sea
   Great Britain
   Ireland
   North Sea
   Denmark
   Finland
   Sweden

6 America
   Bolivia
   Mexico
   Cuba

7 Other locations
   Antarctica
   Indonesia/Sundaland
   North Pole
North-West of Egypt: From Greece to Spain
North-East of Egypt: From Middle East to the Black Sea

THE PLACES THAT ATLANTIS WAS RULING
We can see major similarities between the ancient descriptions of Platon in Critias and the descriptions of that person.
A person has suggested that this area, that was found in Google Earth, is the real city of Atlantis.
Google and the American Government say that those straight lines were created by the sonar that the ships were using during the recordation of the sea’s bottom. Nowadays nobody knows if Atlantis is myth or truth, although most people believe that Atlantis is a myth....
